

# SALVATION HYMN

## INTRO

| C | F C | C G | C |

## VERSE 1

Praise Him, the One who took our place;  
We had no hope to claim.  
Behold the mercy of our Lord,  
The Lamb, for sinners slain.  
We languished 'neath sin's burden long –  
Guilt growing every hour.  
Now reconciled by Jesus through  
His blood's eternal pow'r.

## CHORUS

We exult in Thee  
For Thy great work we sing  
All the glory be  
To Jesus Christ our King

## VERSE 2

Hail Him, the risen Son of Man –  
Death trembles in His wake –  
Who once was dead, is now alive.  
He's risen from the grave!  
In Christ we have been justified;  
His rising does assure.  
The Dayspring of our righteousness,  
In whom our hope's secure.
